# Private Label Rights License

*For How To Create Better Image Prompts For ChatGPT*

This license explains what buyers can and cannot do with this PLR content. Users can pass on PLR rights to their audience, prospects, and buyers.

---

## What You Can Do

- Edit the content for your own business or brand.
- Rebrand the documents with your name, logo, and style.
- Sell the content as your own finished product.
- Bundle the content with your own related offers.
- Give the finished content away as a lead magnet.
- Use the content for email, blog, social, or training materials.
- Claim authorship after you have rebranded the content.
- Sell editable source files when included in your offer.
- Pass on PLR rights to your audience, prospects, and buyers.
- Allow your buyers to rebrand and resell the content.

### **Plain-English Summary**

You can edit, rebrand, sell, give away, and pass on PLR rights according to this license.

---

## What You Cannot Do

- Sell or share this exact package without adding your own branding.
- Use the creator name from this package as your own business identity.
- Claim exclusive ownership of the original source package.
- Use the content for illegal, hateful, or misleading purposes.
- Promise results, income, or performance that are not supported.
- Remove common-sense disclaimers when they are needed.
- Sell rights that conflict with this license.
- Represent the content as legal, financial, medical, or professional advice.
- Use third-party trademarks in a misleading way.
- Upload the unchanged package to public file-sharing sites.

### **Important Note**

Do not make claims that are not supported by your own offer, proof, or customer experience.

---

## Rights Details

### **Can buyers edit the content?**

Yes. Buyers can edit, rewrite, shorten, expand, and customize the content.

### **Can buyers rebrand the content?**

Yes. Buyers can add their name, logo, design, and product positioning.

### **Can buyers sell the content?**

Yes. Buyers can sell the finished content as their own product.

### **Can buyers give the content away?**

Yes. Buyers can use it as a free lead magnet or bonus.

### **Can buyers pass on PLR rights?**

Yes. Buyers can pass on PLR rights to their audience, prospects, and buyers.

### **Can buyers claim authorship?**

Yes, after rebranding and editing the content for their own offer.

### **Can buyers sell source files?**

Yes, when those source files are included in their finished offer.

### **Can buyers sell master resale rights?**

Yes, as long as their rights do not conflict with this license.

### **Can buyers sell private label rights?**

Yes. Passing on PLR rights is allowed by this license.
