

Excerpt Of GPT #2 – AI Campaign Crusher (Hard Selling & Social Campaign Creator)

Please note, to remain relevant in the excerpts, I made the excerpt based on my last launch as well: 'My Internal Link Cluster Generator' AI Suite.

You can look at the offer here to compare the relevancy: <https://scalableplrproducts.com/my-internal-link-cluster-generator-plr-985141/>

So, the GPT will ask you

- To paste your sales copy (Your own copy or your affiliate page copy)

**From there, the GPT does the work for you.
Here's The Output:**

The GPT will first output 6 promotional hard-selling email swipes for your offer:

EMAIL #1

Subject: [PLR] It researches. It writes. It builds the full blog for you.

Preview: Finally, a PLR tool that actually does the work — not you.

Hi,

What if your PLR actually *did* the work for you?

What if it ran the research, wrote the articles, mapped the links, and gave you a deployable blog system — all from one topic?

That's exactly what ***My Internal Link Cluster Generator*** delivers.

This is a done-for-you AI suite that builds a full internal link cluster in seconds — including clean HTML and a linking plan that makes it feel fully planned and professional.

This isn't a "content pack." It's a publish-ready *system*.

Here's what you also get when you act now:

- **Bonus #1 — PLR License**
Rebrand, resell, giveaway, or bundle My Internal Link Cluster Generator as your own product, and keep 100% profits.
- **Bonus #2 — How To Set Up GPTs in ChatGPT**
A step-by-step walkthrough showing how to build, customize, and deploy GPTs in two minutes or less.
- **Bonus #3 — Ready-to-Use Sales Copy**
Professionally written copy (2,398 words), to sell My Internal Link Cluster Generator for you, without starting from scratch.
- **Bonus #4 — 6 Promotional Swipes**
Pre-written email campaigns designed to drive clicks, urgency, and conversions during your launch.
- **Bonus #5 — 25 Social Media Posts**
Multi-platform posts built to create fast awareness and steady demand for My Internal Link Cluster Generator.

EMAIL #2

Subject: [PLR] This AI doesn't just write — it *builds structure* into every word.

Preview: Get content that connects, ranks, and sells — from the inside out.

Hi,

Ever feel like your content is just... floating?

Disconnected posts. No internal links. Nothing driving the reader anywhere.

That's because content without structure is *dead*.

My Internal Link Cluster Generator solves that instantly — by planning the entire cluster before it writes a single word. Every article supports the next. Every link has purpose. And every piece is designed to rank, connect, and convert.

It's not just AI content. It's a system that feels like it was built by a pro.

Here's what you also get when you act today:

EMAIL #3

Subject: [PLR] This AI doesn't write content — it *plans* your entire blog system

Preview: It maps. It connects. It builds your site like a pro.

Hi,

What's the difference between blogs that grow and blogs that stall?

It's not more content. It's *organized* content.

My Internal Link Cluster Generator maps your cluster first — then writes the content to fill it. That means you're not guessing, winging it, or hoping Google connects the dots. It's all baked in.

One input gives you a fully linked, fully structured, fully readable blog cluster that actually feels like it was built with strategy.

Here's what you also get when you take action now:

- **Bonus #1 — PLR License**
Rebrand, resell, giveaway, or bundle My Internal Link Cluster Generator as your own product, and keep 100% profits.

Preview: Don't wait for "good enough." Publish perfect, finished content instantly.

Hi,

Ever feel like you're stuck in prompt hell?

You ask ChatGPT for content... and spend hours fixing it. Rewriting. Testing. Starting over.

Meanwhile, someone using ***My Internal Link Cluster Generator*** is already done.

This suite uses two GPTs — one builds the content, the other builds the structure. Both run deep research first. And the result? A full content cluster you can use, sell, or deliver in minutes.

Here's what you also get when you grab it today:

- **Bonus #1 — PLR License**
Rebrand, resell, giveaway, or bundle My Internal Link Cluster Generator as your own product, and keep 100% profits.

Subject: [LAST CALL] This AI-powered PLR suite is almost gone

Preview: Final chance to grab the full system + 6 bonuses

Hi,

Time's up.

This is your last chance to get **My Internal Link Cluster Generator** — the only PLR system that builds a full blog content cluster from one keyword, using two GPTs and deep research.

Wait and it's gone. Along with:

- Your shot at a structured, sale-ready content suite
- A system your customers will *actually use*
- Six bonuses that make this launch-ready in minutes

Here's what's still included — if you act right now:

- **Bonus #1 — PLR License**
Rebrand, resell, giveaway, or bundle My Internal Link Cluster Generator as your own product, and keep 100% profits.
- **Bonus #2 — How To Set Up GPTs in ChatGPT**
A step-by-step walkthrough showing how to build, customize, and deploy GPTs in two minutes or less.
